

DAEiNA

Danish Academic Economists in North America

DAEiNA Meeting 2013 – Program and Final Details

Enclosed on the next page is the **conference program** for the **2nd annual meeting of Danish Academic Economists in North America (DAEiNA)** which will be held on **April 20, 2013** at the Kellogg School of Management, Northwestern University, Evanston, IL. To **sign up to attend** please send an e-mail to daeina@daeina.net.

For interested participants, we are negotiating a favorable rate on **hotel rooms next to the conference venue**. Rates will be between \$139-\$199 per room per night. Those on a budget will have the possibility of splitting a room with two queens size beds. If you would like a room at the negotiated rate, please send us an e-mail at daeina@daeina.net by **April 1, 2013** and specify which nights you will be in Evanston. Participants interested in splitting a room should indicate this in their e-mail and we will attempt to pair people up.

For participants (students in particular) who have not been able to secure travel funding on their own, we have applied for funding via several Danish grants. Please send us an e-mail at daeina@daeina.net if you are in need of travel funding to attend the meeting.

We look forward to seeing you Evanston!

Regards from the DAEiNA Board:

Torben Andersen, Professor, Kellogg School of Management, Northwestern University

Rasmus Jørgensen, Postdoc, Yale University and the University of Copenhagen

Nikolaj A. Harmon, PhD Candidate, Princeton University

DAEiNA
